

Dear Mike and Dan,

I would like to take a moment to personally thank the both of you and everyone else at Diversified Real Estate Consultants for helping me complete the Deed in Lieu of Foreclosure on my condo in Florida.

Through this very stressful time, you and your team worked around the clock to ensure this issue was completed properly, and in a timely matter, while still maintaining the utmost level of professionalism, and attention to detail. I appreciate you keeping such an open chain of communication with me, as you always went out of your way, sometimes working well beyond regular business hours to make sure I was kept up to date with the progression of this matter. I cannot thank you enough for all the time, hard work, and effort you put into completing this transaction, and relieving so much stress from my life.

I would definitely recommend your services to anyone looking to resolve their current mortgage situation. Thank you again for all your help.

Sincerely,

Matthew
